

Notice of Cancellation

The Adoption Services RFP #FAM-11-058 was cancelled on or about May 25 and a new Request for Proposals [FAM-11-084](#) was issued June 2, 2011. The new proposal deadline is June 13, 2011, by 3:00 p.m.

What is different in the new RFP #FAM-11-084? VDSS decided to remove the maximum request limitation stipulated in Section 1, Purpose, Subsection 1.2, Funding. The removal of the \$170,000.00 limitation is the only change that was made. The new RFP has in it the changes that were in the addenda for RFP #FAM-11-058.

If Offerors wish to re-use their proposals, they will have to use the new Proposal Cover Sheet or Attachment C-2 and a new Attachment B-2 (checklist which removes the CD copy and shows to submit six, rather than seven, proposals). All of the attachments have been corrected to show the new RFP number. Offerors who responded to FAM-11-058 can change the last two digits of the RFP number on previously submitted attachments (with the exception of the cover sheet and checklist). Any new Offeror will need to use the new attachments.
